

REMARKS:

The above listing of corrected claims are obtained from:
Adding proper status identifier to claims (10 claims) in the preliminary amendment filed on 11/14/2005 relative to the claims (6 claims) in the translation of the specification filed on the same day. Thereby, the requirements of 37 CFR 1.21 or 1.4 are met.

The reasons are as follows:

1. The translation of the application into English (has 10 claims) filed on 6/23/2005 was refused by the Examiner. Please refer to the Notification of Missing Requirements mailed on 11/01/2005.

2. The translation of the application and the preliminary amendments (has 10 claims) filed on 11/14/2005 were accepted by the Examiner. Please refer to the Notice of Acceptance of Application under 35 U.S.C. 371 and CFR 1.495 mailed on 2/16/2006.

3. The preliminary amendment (has 10 claims) filed on 11/14/2005 was considered not compliant with the requirements of 37 CFR 1.21 or 1.4 and was requested to provide each claim with a proper status identifier by the Examiner. Please refer to The Notice of Non-Compliant Amendment mailed on 3/3/2006.

4. As a result, the claims in the preliminary amendment filed on 11/14/2005 should be provided proper status identifier relative to the claims (6 claims) of the translation of the specification filed on the same day.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Tianhua Gu". The signature is fluid and cursive, with the first name "Tianhua" and the last name "Gu" clearly distinguishable.

Tianhua Gu
